

Annual Shareholders Meeting and Open House

We are pleased to host our Annual General Shareholders Meeting and Open House at our Spokane, WA. office, April 30th, 2018.

The Open House will be from 10 a.m. to 3 p.m., with a light lunch provided.

Our shareholders meeting will take place at 1:00 p.m. in our general conference room.

Tours of the testing lab and opportunities to discuss our technology and prototype work with our engineering and administrative teams will allow personal insight to our technology and progress.

Spokane is a beautiful small city, with incredible sight-seeing, miles of hiking and biking trails, along with a rich history of Eastern Washington. More information on things to do while visiting Spokane can be found at: <https://www.visitspokane.com/about/>

If you are planning to attend, please contact Ginger Joseph at gjoseph@radmaxtech.com regarding discount lodging accommodations and general information.

Paul W. Chute, CEO will be retiring and turning over the day to day operations to Michael Urso, Ex. VP/COO at the AGM. Mr. Chute will remain as Board Chairman and advisor.

We have accomplished a great deal over the last 18 months, from rescuing a default business and neglected technology to building a vibrant engineering company with great potential for success.

Visit with us, we will enjoy meeting you in person and sharing our vision for the future.
